

FACTS VS OPINIONS on Firearm Safety

OPINION

"I cannot quickly access my firearm for protection if it's in a lockbox."

Most people can access their firearms in 1-3 seconds.

FACT

OPINION

"My teen would never hurt themselves."

Suicide is often impulsive. Easy access to a gun can turn a temporary crisis into a permanent tragedy.

FACT

OPINION

"My child is too young to find or use a gun."

Toddlers as young as 2-3 years old have pulled triggers.

FACT

OPINION

"Only strangers are at risk from my gun."

OPINION

"My child knows better."

FACT

Most gun deaths involving children happen in homes by accident, suicide, or domestic violence.

FACT

Children are naturally curious, even if you've told them not to touch a gun.

FACT

"Safe storage is only for people who don't know how to use guns."

OPINION

Responsible gun owners, from hunters to veterans, use safe storage to protect their families and communities.
