

Help. Guide. Thrive.
Operations Hub
IPHA • IPHCA • HAP Foundation

What is HelpGuideThrive?

HelpGuideThrive is a collaboration between the **Illinois Public Health Association, Illinois Primary Health Care Association, and The HAP Foundation**; leaders in supporting and developing the public health and healthcare workforce across Illinois.

The HUB will assist organizations to **navigate the evolving billing landscape**, that impacts:

- Community Health Workers/Promotores de Salud
- Doulas
- Lactation Specialists
- Peer Support Specialists
- Street Outreach Workers
- Respite Care Providers

How will HelpGuideThrive HUB help you?

The HUB allows organizations to:

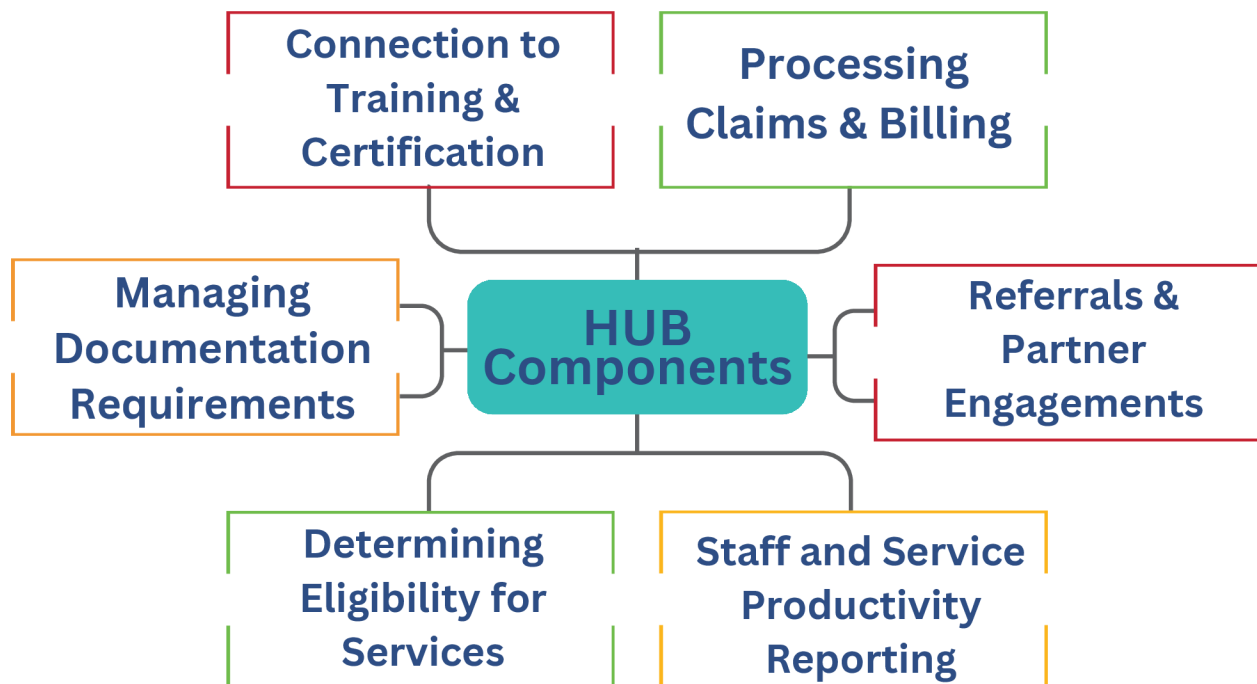

- **Focus on providing services**
- **Become sustainable by:**
 - Receiving reimbursements included in the 1115 waiver services
 - Contracting with multiple payers including Medicare, Medicaid, and private insurance.

The HUB will :

- **Be a centralized network**
 - Be your billing expert
 - Support care coordination
 - Deal with administrative overhead and related headaches
 - Keep track of physician fee changes
 - Establish and negotiate contracts with payors

What will **HelpGuideThrive** HUB do?

Coordinate a network of CBOs and other non-profit organizations to improve the experiences and outcomes for the clients you care for.

HelpGuideThrive HUB is:

1. Led and operated by organizations committed to workforce expansion across Illinois
2. Flexible and accommodating to meet your organization's needs
3. Illinois based Non-for-Profit
4. Understands and has relationships with Illinois care systems
5. Experienced with billing and documentation systems
