

Community Health Worker & Citizen Scientist Training

JUNE 26 - AUGUST 4, 2023

Are you between the ages of 16-24?

Do you want to make a difference in your community?

Are you interested in healthcare and social justice?

Then this training program is for you!

You'll gain:

- Access to wellness toolkits and a Wellness Store
- Access to resources that promote wellness and resiliency in your neighborhood, city, and state
- A Community Health Worker certificate of completion from The Youth Wellness Project

Learning is online (smartphone or computer accessible) and reinforced in weekly meetings and projects.

This program is also part of a research study for youth and young adults. You'll receive additional payments for participating (up to \$600).

For more information, please email macarthuryouthproject@gmail.com or call (217) 301-9445.

Communication and Problem-Solving Skills

Learn ways to Help Your Family and Community
